E-ZPass RESERVE

E-ZPass RESERVE

PROJECT SCOPE/DESCRIPTION: The General Assembly found that it is in the state's best interest to improve the overall level of availability of *E-ZPass* technology to the traveling public in Delaware, and to improve the level of customer service provided to *E-ZPass* users. In this regard, the General Assembly established an *E-ZPass* reserve account, which will be maintained within the Transportation Trust Fund as a separate account. These funds may only be used by the department in furtherance of its efforts to improve the availability and quality of *E-ZPass* assets and services. Should the Department determine that is in the best interests of the state to withdraw from the Regional Consortium, of which Delaware was a founding member in 1995. These funds, and others as may be appropriated by the General Assembly from time to time, may be used to satisfy any and all claims by the Regional Consortium against the State.

PROJECT JUSTIFICATON: This project will establish funding of Delaware's potential liability as a member of the Regional Consortium.
